

## Join us for worship at St Peter's and St Paul's by phone...

Hello, I hope somebody has been able to give you this leaflet!

This is to let you know you can listen to our Sunday service at 10.00 on Sundays by phoning **0203 695 0088**, then enter meeting ID **501 015 8529** when asked.

After that, **enter the password: 0** (zero).

**Make the best of this opportunity to worship together from home:**

1. Just before 10.00 am, get yourself a cup of tea or coffee!
2. Find somewhere quiet and turn off any television/radio etc. so that you are more able to focus on the worship.

( If appropriate, let other family members know what you are doing so they don't unnecessarily interrupt you.)

3. Call **0203 695 0088** (this is a standard rate number)
4. When the system says "Welcome to zoom please enter your meeting id followed by hash" - enter **501 015 8529 #** (the # key is bottom right on most phones)
5. Then **enter the meeting password, which is zero** (0).
6. Next, the system will ask for a participant ID, but just press # again.
7. You will then be connected to the live telephone broadcast of the service and you can join in.
8. Once connected, if you are having problems, **dial \*9** The organiser (Dave Florence) will then speak to you.
9. You may like to use the speakerphone facility on your phone, especially if two or more of you are taking part
10. The service will last around 25 minutes. Don't worry if you are late, you can still join in mid service!
11. After the service, hang around and we can all have a chat together on the phone!
